

January 2010

Host List Reliability Process

***DECISION TAKEN ON SEPT 10th 2009 AT THE SERVAS INTERNATIONAL GENERAL ASSEMBLY
SI host list coordinator will set up a host list testing system together with a team to ensure
reliability, beginning in January 2010, according to Servas working group guidelines.***

- * Host List Reliability Team will make calls to test Host List reliability
- * 78 lists from **Member Countries** with more than 10 hosts will be tested
- * 10 calls will be made to random Hosts and Day Hosts in each of those Member Countries
- * 4 to 5 helpers will be calling in English, Mandarin Chinese, Russian, French and Spanish
- * Hosts and Day Hosts from **National Groups** or Member Countries with less than 10 hosts may be called also to help Development Committee in the reestablishing and growing process
- * Results to be published at the end 2010
- * Calls will be done from April to the end of September 2010

By the next year, we will be helping countries with no accurate Host List to improve them for the benefit of Servas.

In Peace and Friendship
