Invitation to SICOGA 2018

**31st Servas International Conference and General Assembly
13- 20 October 2018
International Youth Center Youth Hostel, Seoul, Korea**

Dear Servas members worldwide,

Welcome to the 31th Servas International (SI) Conference and General Assembly (GA), to be known as SICOGA 2018. This is a joint venture organized by Servas International Executive Committee (SI EXCO) and Servas Korea with the support of the SICOGA 2018 Organizing Team.

The conference will be held from 13th to 20th October 2018 and will include a full day excursion to the DMZ (Demilitarized Zone).

Only Servas members may attend, and registration is required. We invite you to sign up early to reserve your place.

We shall be very happy to have you with us, sharing an enjoyable and challenging week of Servas work, together with social activities and the chance to meet old friends and new from around the world.

Bearing in mind the ecological footprint of such an event as SICOGA 2018 on the world's environment, SI Exco will make every effort feasible in order to minimize its impact. More information about what these efforts will mean in concrete terms will be announced later.

The Conference and General Assembly (SICOGA) 2018 information can be found at <https://servas.org/sicoga2018>

We whole-heartedly welcome you to this important meeting. I'm sure we will all have an interesting, rewarding and enjoyable time together. You will get to know many new people and some of them, I'm sure, will become your lifelong friends.

We look forward to meeting you in Seoul in October!
