

<b>Position (to be appointed by the next SI Exco)</b>	<b>SI UN team SI growth team SI distante interviewer team</b>
<b>Name</b>	<b>Raffaele Aquilanti</b>
<b>Country</b>	Italy
<b>Why are you volunteering for this position? Skills and experience</b>	I have gained experience in politics in my Town, i have been the group leader in municipal council of my Town for ten years, i would like to contribute with my passion and my ideas for a Better World, and being a voice for my generation. People actually want Peace, there are plenty of way to ask our government to end this useless run to weapons, i would like to leave a witness of good Will and, furthermore, to build a thread between people fighting Just because of their leaders' controversy. I think Servas community needs to reach young people, in order to avoid digital dictatorship in the future, with everyone bound inside their little homes, friendless and alone, just trustful in their phones, without even knowing their neighbours! Servas community has to be spread all over the world, specially in places where wars have left wounds, like Balkans, near my home, where there is not a servas community yet. Only citizens who tried in their skin the atrocity of war could explain how to avoid them, it's necessary bringing our association there!
