

Elected Position	Internal Audit Committee	
Name	SALVADOR DA MATTA JUNIOR	
Country	Brazil	
Why are you volunteering for this position?	I am a retired petroleum engineer having taken part in the project management of mega oil and gas offshore developments. I was responsible for both the financial and schedule progress reports; I have coordinated a few project approval feasibility studies. As Servas Brazil treasurer, I worked with the team to have our statutes registered to receive a taxpayer's number and be able to open a bank account, avoiding member fees to be kept in personal accounts. I understand SI bookkeeping must not only be transparent but also accurate, and the members of the audit committee have the responsibility to make sure the entries have the relevant paperwork as backup, even if an external auditor provides a report and standard statements.
