Motivation. Why are you volunteering for this position? What can you offer Servas and what do you hope to achieve?	I have experience as collections manager of a museum (9 years) and archivist training. I live near SI's physical archives at the Hoover Institution at Stanford University in California. Current archive priority should be maintaining and organizing electronic documents so they can easily be copied in appropriate folders onto a hard drive and delivered to the Hoover Institution before the end of this decade. My primary complaint about Servas is that it encourages physical travel, especially flying to far destinations, and causes vast amounts of carbon dioxide pollution, thus increasing greenhouse gases and climate disaster. Resulting heat, drought, storms, flood, rising oceans, etc., cause climate migration and unrest worldwide, even civil unrest — war. Servas should do so much more than pay lip service to this problem.
