| Motivation. Why are you volunteering for this position? What can you offer Servas and what do you hope to achieve? | <p>First of all, the most important thing is to demonstrate the will to serve, the spirit of volunteerism. I have held the positions of Regional Coordinator (appointed by the original coordinator (2019), Peace Secretary (elected for 2018-2019), and currently National Secretary of Servas Brazil, serving the first year of the second term, both elected. (2020/2021/ 2022/2023).</p> <p>I am a journalist with experience in writing, editing and summarizing articles. I am a persistent, determined person and enjoy pursuing my goals. We have a good team in Servas Brazil, we managed to keep our spirits up during the pandemic, we functioned in an organized way, keeping the Servas principles.</p> <p>The priorities for this position should be to strengthen the countries in the region with Servas International. My ideas relate to uniting the countries on this side of the world and giving them assistance that they have never received before. A member who knows our needs should hold this position. The countries of the block are hospitable, distinguished in their natural beauty. We are excellent hosts.</p> <p>A committee must seek to answer the doubts of the managers, suggest improvement alternatives and make itself available to help solve problems. All servas-continents need to be valued. EXCO had an excellent idea to create the Development Committees, but for our region, it hasn't worked so far. Of course, it is more productive to divide up the parts for better administration.</p> |
