Motivation. Why are you volunteering for this position? What can you offer Servas and what do you hope to achieve?	I have experience in organizing peace events at an international level. From my point of view, the priorities of Servas in the issue of peace is to link with other organizations whose objectives are similar without the priority being the UN, from a transdisciplinary perspective. My main ideas are to be in permanent contact with local leaders of peace and make more virtual events. For me, the most important about Servas is to spread peace ideas around the world combine with activities and small actions that can make big changes. I want to contribute the best I can in this position, to maintain constant contact with the secretaries of peace from all over the world to carry out concrete and specific actions that promote peace.
