Motivation. Why are you volunteering for this position? What can you offer Servas and what do you hope to achieve?	<p>I've been in this position for about 6 years, I like to verify that all the information about EXCO, Servas Bulletin, announcements, invitations and all the important notices, news, have the best possible translation from English to Spanish, so the community of native Servas Spanish speakers can have a complete and accurate information, also at the very short possible time.</p> <p>I already reported that it would be great that, in the next international events, even if they are via remote, the translation team can have more support according to the document that Susana Martínez and me sent to Jonny, and that each one of the team could have some kind of rewarding, like a Servas international diploma.</p> <p>I would love to propose, in other issues, that for going to SICOGA or any event, we must try to do the half way by bike and the other half by airplane, this way we will be more sustainable and we will have the opportunity to know each other so much more in a great adventure together!</p> <p>Servas is very important to me because I can know people from everywhere and to know about so many issues , social, cultural first hand and to build new friendships around the world.
