Motivation. Why are you volunteering for this position? What can you offer Servas and what do you hope to achieve?	I think I have enough knowledge for this position since I have been collaborating for a few years and I have never had any problems.  I want to help motivate people to belong to Servas because of the values it has and because hospitality is an act of generosity for the traveler and for feelings of peace and friendship.  I want to help make Servas a reference organization in the world. For this we need many motivated and volunteer people to work, without causing problems, on the contrary, helping those who offer the most effective ideas to enjoy the organization, friendship and learn to live with our differences to build a better world.  It is important that we are people committed to human rights, respect for ideologies and ethnic differences, offering initiatives and ideas to promote this attitude, through international meetings, summer universities and also virtual meetings (which have no economic cost)  Learn to work as a team, without personalisms that paralyze the growth of any project such as Servas. Invite young people to lead Servas but sharing with older people the experience and values as a peace organization.
