

**Elected**

Volunteering for the Position of:

**SI Youth and Family Committee**

<b>Candidate's name:</b>	<b>Chiara Spezzati</b>
Gender:	Woman
Year of birth:	29/01/00
Servas country:	Italy
Servas Membership since:	29/01/00
Country/Number in ServasOnline and Positions Held in Own Country and/or SI:	Youth Group Italy, Registration ID: 41265
Motivation. Why are you volunteering for this position? What can you offer Servas and what do you hope to achieve?	<p>Servas for me is an organization that allows me to explore new cultures, meet new people while always feeling like part of a family. I have been a member of servas my whole life, since my parents were members, but I have started being active individually since 2018, when I joined the last SICOGA.</p> <p>For me, servas but most importantly means sharing values with other people from everywhere. It means travelling, joining international events and apply those values to my everyday life.</p> <p>I think all the ideals that are at the basis of servas (peace, sharing, travelling, multiculturalism) are now extremely important. And I believe that we need to organize concrete actions, events, camps to involve young people and play an active role in the future of the planet.</p> <p>I personally would have as priorities the organization of camps, meetings, events based on the servas ideals (such as the servas youth eco-camp or the peace school) together with the coordination and formation of youth groups in different countries. I think it is important that young people are getting more involved in Servas.</p> <p>I have experience in organizing events and involving people in the event organization, as well as the event itself. I think I can bring to the table new ideas for events and possible ways to involve more the youth members. I have excellent communication skills, developed both through work experience (e.g. in restaurant and as teacher assistant) and volunteering jobs.</p> <p>My written English skills are also high, because my full Bachelor degree has been in English. I am currently studying renewable energy engineering in English, and therefore have also really good IT and analytical skills.</p>
