Motivation. Why are you volunteering for this position? What can you offer Servas and what do you hope to achieve?	<p>I have very good communication skills. I am a leader by nature. I like to work in a team and work on goals . The priorities of being for this position it should be the motivation among young people to join positive groups to promote peace and laso live the experience of share with positive people who want to make this world better</p> <p>We live in a world of a lot of violence, many young people getting involved in drugs and I think it is SERVAS that should seek a balance between motivation and some fun so that our young people want to be part our group. Servas must become, with a good planning, a space where our young people feel useful in positive activities, in place of camaraderie, solidarity and enthusiasm for life and good deeds.</p> <p>SERVAS, as a peacemaker contribute like “a grain of sand “ in this convulsed world promoting the interaction of people from different cultures who work towards the respect for differences and peace.</p> <p>I have a natural service attitude and I would like to be able to contribute time to try to improve the quality of life of our young people by planning the necessary structures to reach that.</p>
