

Appointed**Distant Interviewer**

Volunteering for the Position of:

I am happy to help the Development Committee and/or Distant Interviewing if that is of interest.

Candidate's name:	Paulina Janus
Gender:	Woman
Year of birth:	22/11/84
Servas country:	Poland
Servas Membership since:	30/06/06
Country/Number in ServasOnline and Positions Held in Own Country and/or SI:	I have recently re-activated my membership in Servas Poland and contacted my local and national coordinator offering to volunteer locally in October 2022. I have subsequently been designated as the second coordinator in my region. I am new to the organisational side of Servas however I am happy to help and engage my efforts and skills to support it.
Motivation. Why are you volunteering for this position? What can you offer Servas and what do you hope to achieve?	I find the Servas mission to be an organisation particularly consistent with my values and I have had a lot of enriching experiences as a traveller so it feels natural to want to give back and support the organisation with so much potential to truly make the world better. I have volunteered to support my National Team recently and I am looking forward to supporting Servas Poland as one of the local coordinators. Since I have also received an email from the international team offering different positions that Servas would like to recruit for I decided to get in touch and offer my help within the Development Committee as well. I am experienced in supporting and managing community building initiatives and have had a lot of experience working with people representing different cultures and backgrounds due to having lived and worked/studied in four different countries. I have also gained professional and informal experience in conducting research of communal needs and aspirations, project management, intercultural mentoring of exchange students, coordinating volunteering and recruitment / HR. Therefore, my profile appears to be consistent with the skills that would be an asset to the Development Committee and its focus on expanding and strengthening the organisation (e.g. interviewing and providing guidance to aspiring and existing members, supporting initiatives that help promote Servas's values and problem-solving challenges). To sum up, while I am new to the organisational aspect of Servas, I am happy to help and I look forward to hearing from you about your needs and opportunities to become involved.
