

## SERVAS CHINA | ANNUAL CONFERENCE

Once again, Servas China is presenting its annual conference to you

As the brand activity of Servas China, this year is the third consecutive year in which we host an annual conference. From a conference of 10 plus participants to a conference with more than 30 participants (2017, Shanghai), we are seeing the growing reputation and popularity of the conference.

China is a country of diversity and complexity. From the ice world of Harbin to the tropical island of Hainan, from the mountainous Yunnan to the flat Henan, from the Islam-influenced Xinjiang to the history-soaked Shandong, this country surprises you how more than meets the eye it can be. Previous years have seen Servas friends from Malaysia, Indonesia, Bangladesh, India, France, Australia, Turkey, Russia, Taiwan, etc. We had great times together, exploring a modern city of Shanghai, a riverside town of Shaoguan, and an industrial hub of Liuzhou. This year we are walking up along the Yangtze River to the province of Hubei.

Hubei, (the picture consortium of Hubei can be found at [https://www.google.com.tw/search?q=hubei&dcr=0&source=lnms&tbn=isch&sa=X&ved=0ahUKEwiXqa\\_1pcDaAhXH2LwKHWsRAKMQ\\_AUICygC&biw=1424&bih=720](https://www.google.com.tw/search?q=hubei&dcr=0&source=lnms&tbn=isch&sa=X&ved=0ahUKEwiXqa_1pcDaAhXH2LwKHWsRAKMQ_AUICygC&biw=1424&bih=720))

Shennongjia city, (yes, rumor has it that prehistorical remnant of the early branch of homo sapiens are still active here. We are to have our conference here.)
