# Day Host Only – New Role

User Guide

- For the members, when they open their profile:

After the Basic Information and the More About me, they have the "Day Host Only" section to complete.

- Want more travellers
- Days not available (as holiday…)
- Number of day advance notice (only one number)
- Best mean of contact – select in the rolling list
- How I day host – Explain what you propose to your guest as Day Host

Click on "Edit-Day Host only" to complete the Day Host section.

Fill the fields, then click on Update your Day Host Only Information to save the Day Host section
